

Dear volunteers

Leeds City Council is partnering with Voluntary Action Leeds (VAL) to introduce a structured approach to volunteering during COVID-19. We are thankful for the kind offers from our communities to help provide care and support, but we need to ensure it is co-ordinated in a way which keeps everyone safe.

Anyone wishing to help is asked to contact VAL at:  
[Doing Good in Leeds](#) emailing [volunteering@val.org.uk](mailto:volunteering@val.org.uk) or calling [0113 297 7920](tel:01132977920).

Training will be provided so volunteers meet safeguarding standards.

Community groups forming with the aim of providing help are also asked to contact VAL so a volunteer manager can be involved in the process.
